## ARLINGTON RECEIVES INCREASE FOR 1950 STATE AID FOR SCHOOLS

Arlington this year receives \$150,096.66 in state aid for public schools from the state income tax proceeds it was announced today by Clifford R. Hall, Superintendent of Schools and John P. Morine, Chairman of the School Committee. The sum is \$101,770.00 more than this community received in 1948, they added.

"This increase substantiates the contention of the Massachusetts Council for Public Schools that \$10,000,000 more would be available for distribution this year over 1948", said Fred E. Pitkin, Research Director of the Council for Public Schools. "Before the end of the year and probably before December 20 all towns and cities will

receive from the state their respective shares of the income tax proceeds.

"When the Department of Corporations and Taxation last Jan. notified the assessors of the various towns how much each community would receive from the income tax proceeds this year, these figures were based upon an estimate that

\$29,300,000 would be available for this distribution," continued Mr. Pitkin, who also is Research Director of the Massachusetts Teachers Federation. "We have just learned that \$10,000,000 more is going to be distributed in 1949 over 1948 and that the cherry sheets are being revised accordingly. This year's distribution will amount to \$39,900,000, actually somewhat over the \$10,000,000 increase the Massachusetts Council for Public Schools predicted.

## Rear Collision On Concord Pike

The Concord turnpike was the scene of another accident on Tuesday afternoon, according to the Arlington Police Department.

A Chrysler sedan operated by Theodore C. Brown, 20 Cutter st., Waltham, was proceeding across Pleasant street, to enter the north ramp of the Concord pike, leading to the outbound lane. As it entered the ramp, it was struck in the right rear fender and overturned by a Ford coupe, owned and operated by Victor D. Hume, 419 Alder street, Waltham, which was proceeding on Pleasant street.

Theodore C. Brown complained of abrasions to his right ankle but was not hospitalized.

## GREAT ODDS OF WEATHER, FIELD, "COMET LES", PROVE NEMESIS

At the time of going to press (early Wednesday evening) the Arlington home-town boys of the Red and Gray, are pulling into the South Station, on the last lap of a two-thousand mile trip, which carried them from the cold, clear December winter of New England, into the humid, damp and sultry southern clime.

And the boys will be given a hearty welcome home by hundreds of faithful fans, who have followed every detail of the trip and the game vs. the powerful Warren Easton team, which game, although resulting in a nominal defeat of the Red and Gray, nevertheless proved the home team as the equal of the hosts in fundamentals and executed simple plays, in which our boys blocked better and picked up small yardages better than the host team.

Conceded by all was the fact that the speed and drive of the jet-propelled Les Kennedy spelled the difference between victory and defeat. Sensational both defensively and offensively, "Les" proved himself as absolutely impervious to snare or trap, and went his way unmatched to final victory.

So we say "happy home-coming boys"! Arlington is proud of you — and the great fight you waged against the disheartening odds of weather, field conditions and the spectacular rocket-propelled prowess of the fabulous "Les", will remain forever a credit to you in Arlington's archives of football history.

In keeping with the seven year jinx that has harassed northern (Continued on Page Two)

## Miss Ruth Bullock Honored At Pre-Nuptial Shower

In anticipation of her marriage on January 28th, 1950, to Mr. Theodore Gilmore, of Newton, more than one hundred guests gathered at the home of Police Chief and Mrs. Archie F. Bullock, on Beverly road, last Friday evening, for a surprise miscellaneous bridal shower in honor of their daughter, Miss Ruth Bullock.

The hostess for the occasion included Miss Jacqueline Riley, of Watertown, and Miss Barbara Winchenbaugh, of Arlington. These young ladies presided over the silver coffee services set, one at either end of the beautifully decorated table. A red satin table cloth charmingly set off the Christmas centerpiece of evergreens, and red holly entwining the silver candelabra.

The tow hostesses presented each guest upon arrival, with a red and white parasol lapel pin. During the evening, the bride-to-be opened her many gifts under huge wedding bell festooned with red and white streamers. The musical entertainment given by Walter

Flaherty, Helen Wade, Gertrude Wade, and Patricia O'Donoghue, was much enjoyed. Assisting with the refreshments were the Misses Grace O'Donoghue, Ann Shaw Kay Rice, and Irene McHugh. Noted among the special guests of honor, was Mr. Gilmore's aunt, Mrs. Alice Hurd, of Newton.

## RED AND GRAY-

teams in the City Park of New Orleans for the past seven years, Arlington High dropped its tilt with a Les Kennedy-sparked Warren Easton High eleven before a crowd of some 9000 fans last Sunday afternoon.

The powerful Arlington High club, which has had one of its best seasons in years, went into the game a six point favorite, but the sudden change from the cold of New England to the heat of a sudden performance of the greatest high school back, of the year and a multitude of offensive and defensive plays employed by the Warren Easton team, all added up, was just too much for a great team that was tired from a long trip and had only three days of practice, after a three week respite from the gridiron.

### KENNEDY MARVELOUS

Lester Kennedy, called by Arlington's coach Toczylowski, "the best back I've ever seen in school-boy ball in all my years of coaching," was not only the spark plug of his team but a continual threat whenever he was in the game. Great clutch player that he has been called, he saved his touchdown for the scoring play that broke the hearts of the Arlington club, when the teams were tied 13 all, halfway through the fourth period. Kennedy who is able to run the 100 yard dash in 10.3 seconds, scooped up a nice Bill Meehan punt, and raced the entire Arlington eleven and went 69 yards down the sidelines for the winning touchdown.

### ARLINGTON DRAWS FIRST BLOOD

Arlington won the toss and elected to receive. The ball was taken on the Arlington 27 yard stripe, and the combination of Salisbury and O'Brien lugged the pigskin down to the Easton 22, where it was lost on downs. Easton took possession, but could do nothing against the powerful Arlington line. They punted from the Arlington 33 and the ball bounced offside on the Arlington 23. In two successive handoff plays from Cosgrove to O'Brien went over for the tally of the game. Oppedisano missed the conversion and Arlington led 6-0.

Before the half ended, however, Easton High took possession of the ball on their own 23 and a pass and

a handoff play resulted in Easton's quarterback going over for the tying tally. Ursin came into the game and kicked the point and Warren Easton went ahead 7-0. It was in the waning minutes of the first period that Albertelli of Arlington made Southern history by being the first player to block a punt against the Easton club all season. Not only did the lad block one but he smeared two of them, within three minutes.

### THIRD PERIOD BLUES

In the early minutes of the third period both Kennedy and Hubley, the key passers of the Easton team were removed from the game with injuries. The period opened with the Arlington club kicking to Easton, the ball was taken on the Easton 35 and advanced to the Arlington 45. The Easton club attempted to punt, but Mr. Albertelli was right in on them and blocked the punt and recovered the ball on the 40. Arlington took possession but went backwards instead of forwards, losing the ball when the kicker, Meehan, was forced to run with the ball and was trapped on his own 30 yard line. Easton took over on the Arlington 30. In two plays, Spreyer the Easton fullback went 25 yards for a touchdown. Ursin attempted to kick but it was no good, Easton led by a score of 13-6.

### O'BRIEN AND DEROSA STAR

Dick DeRosa received the kickoff on the Arlington 30 and ran it back to the 42. Then the backfield trio of Cosgrove, Salisbury, and O'Brien plus the added strength of Muello marched the ball down to the Easton 20. Jack Cosgrove tried a desperation pass to Dick DeRosa and he caught it on the Easton 14. Warren Easton High was penalized for clipping, and the ball was moved to the one foot line. O'Brien took a handoff from Cosgrove and went over for his second touchdown. Oppedisano missed the point, but the referees ruled that Easton was offside. Instead of kicking, O'Brien took the ball and smashed over the line for the tying point. The third period ended with the two teams tied.

### TOO MUCH HEAT

The fourth quarter saw a tired Arlington team trying desperately to win a hard fought ball game. Easton took possession at the start of the fourth quarter and Arlington saw no more of the ball. Kennedy who was back in the game received a kickoff and ran 65 yards for the tie breaking score, then Cosgrove threw a pass but it was intercepted.

## TOWN RECEIVES-

aid for public schools from \$5,000.000 we stated that an increase of \$10,000,000 in income tax proceeds would be available for distribution in 1949," he continued, "and that as a result no town would receive less income taxes in 1949 than in 1948. Now our much debated and often opposed prediction has been substantiated.

"This means that the increase in school aid to each town under Chapter 70 is a genuine increase in revenue to the town and that the increase in not neutralized in whole or part by any increase in the amount of income taxes any town will receive on the valuation basis. The increase we predicted has eventually, though tardily, materialized and the increased school aid for each town is genuine, not mythical in whole or in part.

## Wins Judgment

Miss Bernice O. Newborg, of 9 Mount Vernon street, won a \$3500 verdict against the M. T. A. Miss Newborg sued for injuries allegedly sustained when she was struck by a trolley in Arlington center, on January 2nd, 1947. John L. Murphy, of 919 Massachusetts ave., Arlington, was her attorney.

and on the next play Lana of Easton scored. The final score was Easton 26, Arlington 13.

## The Gift That Always Fits

1  
T'was Christmas morn in the  
house-hold  
When the presents were unwrapped  
And laughter shook every rafters  
As the family was enrapt.

2  
But tired bones were aching  
From the pushing thru the crowds,  
Shopping was an ordeal  
Sending sighs up to the clouds.

3  
Mama shopped for papa  
For jackets in red or blue  
Mama bought size forty  
But papa wears forty two.

4  
Brother bought him slippers  
Thinking Dad wore elevens,  
But little did he realize  
That Dad wore only sevens.

5  
Sis tried hard to please him  
Cause Dad is such a fellow  
She shopped from every counter  
For ties which were too yellow.

6  
Now all this could be avoided  
To please the daring guy  
Just wrap him up a package  
Of smooth and mello RYE.

P. S.

A nip of wine for mommy  
To serve her friends some night,  
And don't forget for sister  
Sweet cordials for her delight.

MAKE CHRISTMAS A MERRY ONE FOR ALL**

In extending the wishes of the Arlington Fire Department for a safe and happy holiday season to all residents, Chief Richard J. Tierney, of the Arlington Fire Department, sincerely urges that each and every one will do his part to keep Christmas safe as well as a merry one. Each year, fire turns Christmas, which should be the most joyful time of the year, into stark tragedy in hundreds of American homes.

Here are a few simple rules to follow:

1. Choose a small tree instead of a big one. They are just as beautiful and much less hazardous.
2. Do not set up the tree until a few days before Christmas. Keep it outdoors until you are ready to install it.
3. Place the tree in the coolest part of the house.
4. Do not place electric trains around the tree.
5. Do not place paper or cotton around or under the tree.
6. Do not use candles, use electric lights with no bare wires for decorations on the tree.
7. Do not plug the lights directly

beneath the tree, put the switch at some distance from the tree.

8. Never leave the lights burning when no one is home, inspect the condition of the branches near the lights to see if they have turned brown, if so relocate the lights.

9. When the needles start to fall take the tree down. If the tree should be kept after this period, do not light it up for more than a half hour at a time.

Merry Christmas too all  
Richard J. Tierney  
Chief, Arlington Fire Dept.

## SEASON'S GREETINGS

Santa Claus just called us  
For it seems he's losing heat  
He said, "I need some windows  
And I know your's can't be beat.  
I really like your CHAMPION  
It's the nicest I have seen.  
It does not bind or stick at all  
And it looks so neat and clean.  
And that expander bar you have  
Which fits into the frame.  
By golly, that's what I like Best  
My casings aren't the same.  
The condensation on the sash  
Just ruins all my sills.  
And every year I have to paint  
And that takes Dollar Bills.

A Very Merry Christmas From  
**CHAMPION WINDOWS, INC.**  
621 East First St., SO 8-8245 South Boston

## FROM CHAMPION

You can have my order now  
He chuckled with such glee.  
And when I get to Boston  
I'll take them home with me.  
I also would like to arrange  
To use your budget plan.  
And send my payments in each month.  
For I'm not too rich a man.

You can tell your customers  
I highly recommend.  
Your CHAMPION storm window  
And now Good-Bye, my friend."

So take a tip from Santa  
He's looked at all the rest.  
There are no finer windows.  
CHAMPION'S THE BEST.

And the best of  
the New Year  
is happiness  
for all  
of you

In announcing the move, Mr.

For its new home, the agency  
has taken over the entire floor of

**N. E. TEL. & TEL. CO. URGES  
EARLY LONG DISTANCE CALLS**  
Long distance calls will have a  
much better chance of going  
through without delay if they are  
made a day or two before Christ-  
mas or on the following Monday  
when, by the way holiday rates  
will still apply. And the same is  
true of New Year's calling.  
Such is the Telephone Company's  
hint to the wise and wary as it  
prepares again to meet the annual  
on-rush of holiday calling. A vol-  
ume of calls fully as large as a year  
ago is expected. Delays then on  
some calls ran up to four hours  
or more, especially on Christmas  
Eve and Christmas Day.  
The company reasons that if,  
this year people will spread their  
holiday calling over several days,  
fewer and shorter delays should  
result.  
But it is not to callers alone  
that the Company is looking for a  
remedy. It is also reaching down  
deep into its bag of tricks for new  
ways of employing long distance  
circuits to the best advantage in  
accordance with the unusual char-  
acteristics of holiday calling. And  
of course, as usual, there will be  
plenty of operators on duty.  
What makes Christmas traffic  
unusual, the Company explains, is  
not only the extremely heavy vol-  
ume but the out-of-the-ordinary  
distances and places the calls go.  
In addition, answers at distant end  
are slower and people talk longer  
on their calls. Strangely, too, there  
is an unusual proportion of "Don't  
answers."
